AMENDMENT UNDER 37 C.F.R. § 1.312

Commissioner for Patents  
Dear Sir or Madam:

Upon final review of the papers associated with this patent application, it was observed that page 3 of the specification contains three typographical errors. Accordingly, this amendment to the specification is being requested to correct these clerical errors. Despite being requested after allowance, it is respectfully submitted that the attached amendment should be entered because it merely corrects typographical errors and adds no new matter.
